Funds from World Bank for development of power sector

1244. SHRI MENTAY PADMANA-BHAM: Will the Minister of POWER be pleased to state:

(a) whether Government have sought funds from World Bank for development of power sector;

(b) whether it is a fact that the World Bank has insisted on certain conditionalities, including revision of tariff;

(c) how many State Electricity Boards have agreed to these conditionalities; and[1]

(d) whether it is also a fact that the Karnataka Government did not agree to revise the power tariff for the agriculture sector?

THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI KALP NATH RAI): (a) to (c) Discussions are being held with the World Bank regarding the funding of new power projects. The projects to be funded are yet to be decided.

(d) There is no project of Karnataka which is being posed to the World Bank.

Decline in share of hydro electricity in the power sector

1245. SHRI MENTAY PADMANA-BHAM: Will the Minister of POWER be pleased to state.

(a) what are the reasons for dec line in the share of hydro-electricity in the power sector;

(b) whether it is a feet that only 14 per cent of potential hydro-power has been harnessed; and

(c) what steps are being taken by Government to increase hydro-power generation?

THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI KALP NATH RAI): (a) The main reasons for the decline in the share of hydro electricity in the power sector are that after the 3rd Plan there was a shift in the emphasis in favour of coal-based thermal projects, as they took somewhat shorter time for commissioning. Other reasons include fund constraints, inter-State disputes regarding sharing of water rehabilitation of displaced persons, quisition of land, afforestation and rehabilitation of displaced persons. and managerial deficiencies.

(b) Yes, Sir.
